Krush Dance is a recreational studio with a heart for small towns. Krush Dance has been serving Ashcroft since 2016. The studio started with 60 dancers and has grown into over 100 and is still going strong with weekly classes. Since my recent relocation to Kamloops, I have the opportunity to dance with the people of Chase, won't you join me? I believe in meeting all dancers where they are at, whether new or experienced. krushdance.com for more info or call Miss Kelly @403-3911148
