KRUSH DANCE SPRING 2019 SCHEDULE

New!! Musical Theatre is being offered this session in place of little Acro. This class is jazz-based with a little singing/lip syncing and some acting. I'm sure the dancers at Krush will really enjoy this class. It's 8 and up (that's right, ALL AGES 8 and over) with a large group performance planned for the show.

There will be a choreographed number performed at the year end show for all acro classes too. There is no costume fee for either acro or musical theatre. In order to keep costs down, we have come up with something a little more resourceful for those numbers.

Saturday, April 27, 2019 is our Spring Recital.

We will have a 2-week spring break the same as the public school system (March 18 - 31). We will dance on the Family Day holiday.
